2. For the header part in index page (which also will show in insert page and search page), there are three buttons that you can jump to the corresponding page, like insert page and search page.

Contact Management System													
Contact List	Add New Contact	Search											

3. At each record's tail, you may use the operation buttons to update the records, add new information to the select contact or delete the whole contact with its all information.

1	Cindra	Del	Philippeaux	Work	575	575-780-6421	Work	90103 Glacier Hill Terrace	Piano	Texas	75003		Update	Add Info	Delete	
2	Sherwood		Spoerl	Cellular	907	907-913-3698	Home	2287 Sutteridge Park	Dallas	Texas	75062	Birthday	1986-06-07	Update	Add Info	Delete

4. When click the "update" button, webpage will jump to update page. In this page, you can see all the information belongs to the selected record. The gray disabled inputs mean this record do not include this information (especially means this record doesn't have this information's id). Meanwhile, the delete button of the not include information also is disabled. Using the delete buttons at the bottom can delete corresponding information of this record. Using submit button can save the changed content. After submit successfully, the page will jump back to index page automatically.
